

# 20 questions template

In this activity, you will try to guess what jobs the role models do by asking them questions.

You can only ask questions that can be answered with “yes”, “no”, “sometimes” or “maybe”.

Try to think of questions that will help you guess their job.

If you are stuck for ideas on what to ask, take a look at the questions below.

Once you start the activity, use the table on the other side to keep track of the questions and answers.

## Example questions

Do you work indoors most of the time?

Do you wear a uniform for your job?

Do you work with animals?

Do you use a computer every day?

Do you control big machines at work?

Do you work with children?

Do you work outside?

Do you work in the same place every day?

Are art and design a part of your job?

Do you work in an office?

Have you done an apprenticeship?

Do you do shift work?

Do you work with food?

Do you travel for your job?

Do you wear protective gear (like a helmet or gloves)?

Are you the boss of other people?

Do you have to work weekends?

Do you talk to lots of people every day?

Do you need to go to university for your job?

Do you build or fix things?

Do you teach people?

Do you drive a vehicle as part of your job?

Do you work with plants or trees?

Do you use science a lot in your job?

Does your job help protect the environment?

## 20 questions template

Write the questions that have been asked in the table below. Put "Y" for "yes", "N" for "no", "S" for "sometimes" and "M" for "maybe" below each role model's number.

Questions	Answers (Y, N, S, M)							
	Role model number							
	1	2	3	4	5	6	7	8
