

Will you keep doing this job for ages, or move into something else in future?

If we came to your work for a day, do you think we would find it interesting, or would we get bored?

What would you do if something stopped you being able to do your job any more?

If you had a gazillion dollars, would you still work, or just hang out and do other things?

Were there things you learned at school that help you do your work now?

If you could be anything, what would it be?

Do you think the type of work you do will still be around when I am your age?

What would you miss the most if you couldn't do your job any more?

Why did you want to come and talk with us today?

If you could travel back in time and talk to yourself as a kid, what would you say about your job today?

What school subjects did you like, or were you good at?

What would your perfect day at work look like?

What would your worst-ever day at work look like?

Do you need to know much te reo Māori for your work?

What's the best thing about your work at the moment?

Can you describe your workplace?

Can you show us how you do a piece of your work right now?

What are you working on right now at your work?

Did you do many other jobs before this one?

What was the worst job you ever had? Did you learn anything important, even though it was horrible?
