Congratulations on scheduling an Inspiring the Future event

Inspiring the Future is a powerful experience that gives young people a strong sense of their career possibilities.

At an Inspiring the Future event, young people hear from role models in their own communities. They'll learn about different jobs and why people love doing them, as well as how those people got started in their careers.

Your resource pack

Your pack includes:

- ☐ Step-by-step guide for teachers (you can request extra copies)
- ☐ 1–8 role model number cards (you can request number cards 9–14)
- ☐ 20 questions templates (60 – you can request extra copies)
- ☐ Discussion-group prompt cards (you can request extra sets of 20)
- ☐ Pre- and post-event activities

These resources are available online:

- ☐ Event run-sheet template
- ☐ Welcome and toilet signs
- ☐ Letter to whānau/caregivers explaining the programme (you can request printed copies)
- ☐ Name stickers template (you can request printed copies)
- ☐ Content to help if you would like to source role models through school contacts

You can download all resources from the Inspiring the Future website. Go to inspiringthefuture.org.nz/resources

Next steps

- Follow the instructions we email you to prepare for your event.
- Send role models your event run-sheet.

If you have any questions about Inspiring the Future or would like to order extra printed resources, please email us at inspiringthefuture@tec.govt.nz or phone 0800 601 301.
