Congratulations on signing up to Inspiring the Future

Inspiring the Future is a powerful experience that gives young people a strong sense of the possibilities.

At an Inspiring the Future event, young people hear from role models in their own communities.

They'll learn about different jobs and why people love doing them, as well as how those people got started in their careers.

Everything you need to run an Inspiring the Future event is enclosed

Your resource pack includes:

- Step-by-step guide for teachers
- Event runsheet
- 1 – 8 number cards
- 20 questions templates
- Discussion group prompt cards
- Name stickers
- Welcome and toilet signs
- Pre and post-event activities
- Letter to whānau/caregivers explaining the programme
- USB containing an editable run sheet template and printable versions of many of the items above

All resources in this pack can also be downloaded from the Inspiring the Future website. Log into your account and you can find them in the Resources section of the **My Events** page.

Next steps

- Talk with your team to decide when to run your Inspiring the Future event.
- Schedule your event at inspiringthefuture.org.nz.
- Find role models online and invite them to your event.

If you have any questions about Inspiring the Future, please email us at inspiringthefuture@tec.govt.nz or phone 0800 601 301.

Ngā mihi
